Will Run

FRANK J. LUKAY.

BOB RUSSELL.

By-Election Jan. 31

Bob Russell has definitely thrown his hat in the ring for the Jan. 31 by-election for the town of St. Albert to fill the seat created by the resignation of Don Bull.

Mr. Russell says he wants to work with the present council in a positive way to make the town more attractive to business and industry.

Frank Lukay is another man who is definitely in the race. Mr. Lukay says that the tough money situation in the senior government means that St. Albert will have to watch its spending very closely and he feels his experience in engineering could help the town at a time like this.

Peter Zuidema says he is most interested in running but has several reasons for not making up his mind now. He says his issues will be the same as in the October election if he does allow his name to stand.

Rene Kambouroff has firmly stated he will not run due to the timing of the by-election. If elected it would mean a tremendous amount of time would have to go to studying previous by-laws and business of the town and Mr. Kambouroff could not do this at the time income tax returns are being filed. If it were another time he says he would be interested.

ICE CAPADES INTERNATIONAL 1968

A befuddled grenadier, Terry Head, jumps to attention at the changing of the guards. This mop headed Britisher again delights audiences in the surprisingly different Ice Capades, America's No. 1 Family Show which opens Jan 16 at the Edmonton Gardens for five evenings and two matinee performances through Jan. 20, 1968.

Parents Protest Removal of Bus Services

Mission Park parents of the children attending protestant schools are protesting the removal of bus service for children living within one and one-half miles of the schools they attend.

In mid December these children came home with the announcement that at the end of the year, buses would be discontinued for all children living within the above limits.

As there are no protestant high schools in Mission Park the parents became concerned and called a meeting. A petition was circulated and as far as the leaders know it was signed by 100% of the parents affected. The petition asked the school board to meet a delegation to discuss the removal of the bus service. The board will hear this group Jan. 4 from 7:30 to 8 p.m.

On Dec. 28 a meeting was called to plan the issues to be presented at the school board and it was decided to keep the children out of school on Jan. 3 and 4. Another meeting will be held after the hearing with the board to decide on further action. The group hope the buses will be put back while any further negotiations are in process.

The dispute involved about 40 families and over 70 children in the Mission Park subdivision. They feel that the three protestant schools should not have been built so far away from Mission Park if no transportation is to be provided.

Mrs. Pat Wiggins, spokeswoman for the group, said that parents had bought clothing for the children to wear on the bus and buying extra clothes to keep them warm while walking in this weather has meant a real hardship on some families.

Medical Society

The St. Albert and District Medical Society

The St. Albert and District Medical Society visited Edmonton International Airport recently

They were interested in seeing the quarantine arrangements but spent most of the evening studying Radar and its applications.

So far we have not heard of any definite plans to install radar in the local doctors' offices!

Winner of the Lion Ski-doo raffle Ed Luckett is shown being presented with a cheque for $700 by St. Albert Lions Club President Bill Webber. Looking on is Lion John Huberdeau who was in charge of the raffle. Mr. Luckett's ticket was drawn by Mayor Richard Fowler, Dec. 19. The winning ticket was sold by Lion Peter Mykityshyn. Mr. Luckett had his choice of either the Ski-doo or the cash award. The Luckett's have two children and live at 9330-83 Avenue, Edmonton. Asked how the money will be spent, Mr. Luckett replied "My wife has not decided yet".

School Board Weighs Costs Against Services

In an interview with Dr. J. W. Chalmers, superintendent of the St. Albert Protestant School Board, he told the Gazette that this is a serious problem with the ratepayers demanding reduction in school costs but still expecting the same services.

Dr. Chalmers reported that there were approximately 65 children absent from Sir Alexander MacKenzie school on Jan. 3 and a few from Paul Kane. "We are meeting the parents tonight," Dr. Chalmers said, "and this will be the first representation we have had from them."

About 2,000 questionaires had been sent out early in the school term asking the parents their opinions on cutting school costs by reducing bus service. They were given four choices but the majority came up with the answer that bus service should be provided as far as it was covered by the school foundation program and no more. Over 900 forms came back to the office with Mission Park heavily favoring retention of the service.

Following the recommendations of the questionaires returned, the school board decided to remove the bus service for those within the one and a half mile limit. This is the exact routine offered by the school system in Edmonton. Any service over this has to be paid by the St. Albert ratepayers as it is not included in the foundation program.

Dr. Chalmers expressed deep regrets that the children were being kept out of school at this time. "Something new is being taught each day and the absence of a child that day can leave a permanent hole in his education. I take a very serious view of this action as I am the father of six children myself. I feel sorry for the children, not the parents, for they are the ones who are suffering in a loss in their education during this dispute," he said.

Dr. Chalmers said that whatever the decision of the school board was it would certainly be carried out by the administration.

Citation For Bravery

Assistant Commissioner H. A. Maxted, Commanding Officer "K" Division; Constable R. M. Swann, Stony Plain; Sgt. W. Reinbold, St. Albert; Supt. W. B. Irving, Officer Commanding Edmonton Sub-Division.

On Dec. 15, 1967, Sergeant Wilfrid Reinbold of St. Albert Detachment and Constable Robert M. Swann of Stony Plain Detachment, were presented with Citations for Bravery by Assistant Commissioner H. A. Maxted, Commanding Officer R.C.M. Police, "K" Division, Edmonton.

The Citations were awarded by the Commissioner for their actions in subduing and arresting an extremely dangerous armed man who had already shot and injured one other person There is every likelihood that their courageous actions and complete disregard for personal safety saved the life of the person who had already been shot, as well as the lives of several children who were in the immediate vicinity. Commissioner's Commendations for Bravery are awarded to members of the R.C.M.P. for acts of outstanding bravery, courage and devotion to duty.

Sergeant Reinbold is a married man with four children and has been stationed at St. Albert for three years. He was born and raised at Compeer, Alberta, and joined the Force in 1947. Constable Swann was born and raised in London, Ontario and joined the Force in 1965. He is now stationed at Stony Plain and prior to this spent approximately one year at St. Albert Detachment.

The St. Albert School of Dancing presented the Wizard of Oz at the Victoria Composite auditorium on Dec. 29. It was the first time this show has been presented with children making up the entire cast and it was certainly appreciated by the audience.

Those acting in the play and not in the picture are: Risa Joly, the wicked witch; Peggy Sinclair, Miss Gulch; Lois Rindero, Aunt Em; Lori Parker, the wizard; Laura Coward, Uncle Henry and Patti Lukay as Zeke. There were 75 in all in the play including the supporting dancers.

The choriographers were Gladys Smith and Alma Hughes for tap and modern and Marilyn Myers for ballet. Music was supplied by Mrs. Florence Miller, St. Albert and Lee Broder and Doug Reese of Edmonton.

Jack Benbow of "Kiddies On Camera" was in the audience and will tape the entire show for presentation during Easter week.

New Year's Greetings

HON. GRANT McEWAN

One year ago we said there was something special about New Years because it brought us to our Centennial Birthday. Now there is something special about the forthcoming New Year which brings us to the end of our Centennial Birthday. The special events of the past year brought us much reason for satisfaction and pride, and must have left Canadians with a new realization of their rich history and unparalleled progress.

As Canada moves along in her second century since Confederation, the tasks ahead will seem scarcely less challenging. It is for Canadian people to promote understanding both within and beyond the Nation. Such understanding will be a contribution to unity at home and peace abroad. Working together with understanding, Canadians are in a position to enrich themselves and set an example for the world.

To all the people of Alberta and all Canadians, my wish is for continued progress in 1968 with good health, good will and contentment prevailing.

Grant MacEwan
Lieutenant-Governor of Alberta

Bands Perform

by Hennie Stibbe.

The Elementary and Intermediate Centennial Bands put on performances at all St. Albert Separate Schools, Dec. 21 and 22. Director of the Bands is Tjery Wennes of 71 Geneva Crescent. Mr. Wennes is a musician with the P.P.C.L.I. Band and is a well known entertainer. He also heads "The Bohemians" and last October Mr. Wennes and his "Happy Wanderers" participated in "Edmonton Day" at Expo.

The Bands are sponsored by the St. Albert Protestant Separate School District. The Elementary Band at present consists of 36 members between the ages of 9 and 14.

This group was organized in October 1967 and their progress in this short time has been remarkable. Most students could not read music when they joined the band, only two had any previous musical training.

Students are loaned an instrument by the school district for one year. If they feel they want to continue after this time, parents are encouraged to purchase an instrument.

The Intermediate Band has 18 members between the ages of 12 and 18. This group has played together six months. Mr. Wennes said public school students who own an instrument and can read music are invited to join the Intermediate Band, which has a few opening.

Mr. Wennes expects his musicians to work hard. The bands practise two hours per week and members are expected to practise daily.

This program is particularly valuable as it provides musical training for the children of the school district at a minimal cost.

Don Bull Makes Statement to Council

A special meeting of the council of the town of St. Albert was called by Mayor Fowler to consider the resignation from council of Mr. Bull, effective Dec. 15 and to set a date for a by-election to fill the vacancy.

Mr. Fleming read Mr. Bull's letter of resignation to council.

The Town Council is not obeying the wishes of the people.

Two very good examples of this are the amalgamation meeting and the fact that the rink by-laws were turned down at the recent election. These two occurances were expressions by the ratepayer that taxes were too high. Further substantiation of this occurred at the court of revision when the ratepayers appealed their assessments. Since the recent election the ratepayers wishes have not been obeyed.

The Town Council continues on its spending spree.

If Council isn't prepared to accept the recommendations of the ratepayer then there should be a general election called.

I am very concerned about the taxes.

The Council is duty bound to reduce the taxes.

The most obvious method is commercial promotion and development and a cutback in expenditures.

Over the past two or three years I have shown Council a method for reducing taxes by promoting commercial development.

You can lead a horse to water but you can't make it drink.

Sturgeon Dedicates Cairn to Pioneers

On Dec. 29 the M.D. Council of Sturgeon, completed their Centennial project and honored the pioneers of this municipality and their direct descendents, who toiled the soil since 1900 by dedicating a cairn, bearing the names of 141 pioneers, whose grand children still reside and actively farm in this area.

William Flynn, senior member of the M.D. Council was master of ceremonies. Stanley Walker, Reeve, welcomed the guests, and despite a chilly winter day, some 200 were present.

Keith Everitt, M.L.A. representing the Alberta Government, congratulated the M.D. of Sturgeon Agricultural Board, of which Mr. Flynn is the chairman, for this wonderful Centennial project, that will remain a credit to the community long after the present Centennial is over.

Alphonse Nobert, secretary of the M.D. gave a short resume of the M.D. history.

The unveiling of the Centennial Cairn was performed by an original pioneer, Charles Brumfit, 95 years, of Bon Accord, who has lived most of his life in the district and M. D. of Sturgeon. Mayor Arthur Stapleton, and Deputy Mayor Lou Calder representing the town of Morinville were also present.

Following the brief outdoor ceremony, hot coffee and lunch was served, the M.D. Council being hosts.

Lawrence Rye, is a pioneer who still farms on the original family section, located in Namao district, which was bought from the CPR for $3.15 per acre in 1892 with 20 years to pay and no interest. Mr. Rye and his son now cultivate 1250 acres and they have contributed much to the agricultural progress of this district.

Another pioneer family from the Sunnyside area is Alex Cameron, whose father the late Sandy Cameron, settled there in 1881. A grand son, Laughlin Cameron, is still farming on the original land and there are some 75 descendents in the district.

In the St. Albert area, there are several original pioneer families still actively farming on the original sites of homesteads taken before the turn of the century.

Among them are Bellrose, Arcand, Chevigny, Kluthe, Flynn and others. In the Morinville area it is Boisonnault, the Turgeons, Hittinger, Iseke, Houle, Lutz, Lirondelle, Logan, Meunier and so on. In the Legal district we noted Morin, Tieulie.

A list of names and a history of the area will appear in a future issue of the Gazette.

New Year's Greetings

STAN WALKER, Reeve

To the Ratepayers of Sturgeon.

As reeve of the M. D. of Sturgeon, I wish to make a brief summary of the business for the year. It has been a good year financially, as collections of current and arrears of taxes has been very good once again. Thus leaving your M.D. in a sound financial position at the end of the year 1967 as shown in the Municipal inspection report.

The public works department worked on three main projects this year. East of Gibbons 9.2 miles, 3 miles east of Vollmer and 3/4 of a mile on 127 St., north of the city boundary, all were built to Highway standards. These projects were financed under three separate agreements. The agreement on the Gibbons road was 75% government, 12-1/2 % Imperial Oil and 12-1/2% M.D. which was very satisfactory to the M. D. of Sturgeon. The Vollmer road east was a contingency grant, where the government pays the construction, and gravelling costs and the M.D. has to purchase right of way and remove all power and telephone poles. The 127 Street agreement was 75% government and 25% municipal. The cost of this project was very high.

This year your council gave out contracts for the crushing of 55,000 yards of gravel under the winter works project. We will be hauling gravel most of the winter with M.D. owned equipment, a limited distance from the pit.

I would like to take this opportunity to wish all the ratepayers of the M. D. of Sturgeon a prosperous and happy New Year.

Reeve S. M. Walker

ART STAPLETON, Mayor.

A New Year's Message to the Citizens of Morinville.

This is the time of the year when family ties are annually reunited. For some of you there were empty chairs at your festive tables.

To those of our citizens, may I wish you the peace that passes all understanding. To the rest of our people, I sincerely hope that Christmas was all that you expected it to be, and that you experienced the joy of giving, not only in the material things of life, but also in the generous spirit of good will towards all mankind.

For the New Year, it is my sincere wish that the best of health, happiness and prosperity by yours for the asking.

As the New Year begins, it will also bring to you the people of Morinville and the town council, new problems. Some of these will be financial, some will be family and administrative; but I am sure that with the confidence co-operation, the experience and the belief that there is a greater power forming our destiny or fate, both you and I will be able to surmount the problems as they arrive.

Our town council, two of which are newcomers to municipal work, have pledged to the best of their ability to give you, the ratepayer, a sound and economical administration. Possibly to some, it will not seem to be much, but in a democracy such as ours, a good yardstick to measure with is: "He who has made no mistakes, has never tackled anything".

The financial position of your town while not perfect by any means, is measurably better than last year.

The program during the new year will not be an austerity program, but I am sure that you will realize that with the money situation, as it is now, we will have to shape our pattern according to our cloth". There will be no curtailing of the services you now receive, but a strong effort will be made to improve these, with no additional cost if at all possible. Your council is now studying all the angles to cut costs in major purchases, negotiations with the Municipal District of Sturgeon regarding annexation of land will be carried on early this year, as well as new replot areas in the town. This will enable the council to put these projects into effect as soon as possible.

LEON RIOPEL, President Thibault School Board.

New Year's Message from The Thibault School Board

The Thibault School Board and the Administration Staff and the Teachers wish to extend to all ratepayers, parents and pupils and their families in the Thibault School District hearty wishes for a successful and prosperous 1968.

DON BULL MAKES STATEMENT TO COUNCIL

Continued from Page 3

There has been a flagrant disregard of democratic and businesslike procedure that has resulted in excessive taxation.

A democracy obeys the wishes of a majority with protection to the minority.

This is not the case in St. Albert.

Insinuation and inuendo are not democratic procedure and decisions must be based on merit not personalities.

Civic red tape and poor planning have resulted in a very tragic tax situation here.

Business men do not consider St. Albert to be a good business risk.

Stepping on businessmen's toes is not good practice and is indicative of immaturity.

Restoration of businessmen's confidence can in my view only be accomplished by a generul election.

As a businessman I have never had the public purse to fall back upon when a mistake was made. Therefore my outlook is one of caution.

The value of a council's worth is its mill rate. 53 mills in Fort Sask. 73 mills in St. Albert.

The tax differential between St. Albert and Edmonton is approximately two weeks pay.

I have long ago learned to take the mayor's opinion with a grain of mill rate.

But at this time and with the knowledge that I have, I am unable to accept the view point of the mayor and council that this tax differential need exist.

There is a limit to what a man can do when there are six others disagreeing with him.

Mayor Fowler asked Mr. Bull who was present at the meeting if he had any further comments to add. Mr. Bull read a prepared statement a copy of which is attached and forms part of these minutes. Councillor de Bruijn stated that the statement as prepared by Mr. Bull was incorrect and not worthy of recording. Mr. Gibbon stated that it only contained half-truths and does not present a clear picture.

Mayor Fowler advised Mr. Bull that he would pay for the means of a public meeting of the ratepayers of St. Albert at Mr. Bull's call and that if Mr. Bull could substantiate the allegations he has made that his resignation as Mayor would be before Council at the next meeting.

A by-election will be held Jan. 31 to fill Mr. Bull's seat. Nominations will be received on Jan. 10 between 11 a.m. and 12 noon.

(a) seismographic recording equipment and all appurtenances thereto,

(b) conductor cables and cable reels, geophones, amplifiers and cameras,

(c) explosive and detonating equipment,

(d) drilling units and all the component parts and appurtenances thereof, and

(e) water tanks and pumping equipment, but

(III) does not include

(a) vehicles licensed under The Vehicles and Highway Traffic Act, or The Public Service Vehicles Act, exclusive of mounted equipment on such vehicles, and

(b) equipment, other than vehicle mounted equipment, used to drill a gas or oil well;

(e) "municipality" means a town, village, municipal district, county, improvement district, special area, metis improvement district or forest reserve.

(f) "owner" includes a person renting mobile equipment or having the exclusive use thereof under a rental agreement or otherwise;

NOTE: Mobile Equipment having an original list price of less than $2,000 does not require a license under this Act.
